Event Details

About Project WET Curriculum:

- The curriculum **Objectives** are Water-Quality based, and will satisfy many of the requirements set forth by state and other standards.
<http://www.state.tn.us/education/projectcents/projwet/index.shtml>
- The curriculum **Content** may be used **in addition** to current material, or to **replace** current material being used to satisfy existing objectives.
- Learning Experiences** that will foster active involvement in the learning process to achieve the learning objectives will be carefully selected from the **Project Wet** series of lessons.

What to Expect:

- Classroom Workshop as well as outdoor activities
- Canoe North Chickamauga Creek (equipment provided, participation optional)
- Breakfast, snacks, and lunch will be provided.
- Each participant receives a free t-shirt, bag and other fun giveaways.
- Exciting door prizes
- Receive free curriculum guide as well as many "tips/tricks" to customizing the activities for your classroom.

Other Info:

- Wear comfortable clothing.
- Indoor and Outdoor activities are schedule rain or shine, so be prepared.
- Participation in activities is encouraged in order to gain the most out of this workshop, however participation is not mandatory.
